MEMORANDUM FOR THE DEPUTY EXECUTIVE SECRETARY, NATIONAL
FOREIGN INTELLIGENCE BOARD

SUBJECT: DCI Briefing to the President's Foreign
Intelligence Advisory Board (PFIAB) (U)

1. (U) Reference NFIB-6.1/33 dated 31 August 1983, subject as above. The following information is provided for use during the DCI's briefing of the PFIAB on 14 September 1983. In response to paragraph 2b of the referenced memorandum, we recommend and have attached the following briefing item for the DCI's consideration: Technology Transfer: The Effects of This Growing Problem on the U.S. Intelligence Community.

2. (S-TK) In regard to paragraph 2c of the referenced memorandum, this Agency's only interaction with the Board since mid-July 1983 occurred on 8 September at which time the Director, Lt Gen Lincoln Faurer, met with the Strategic and Military Task Force to discuss the organization and management of the National Reconnaissance Office (NRO).

3. (U) Please advise of the final disposition of the recommendation contained in paragraph one.
